

How you can help your child at home

- Hear your child read regularly and read to your child
- Read a range of legends, including European legends
- Using atlases
- Practise using dictionaries
- Help your child learn their multiplication and division facts up to 12 x 12
- Encourage your child to become more independent throughout the year (homestudy folders, PE kits etc)
- Encourage high quality presentation with all homestudy tasks, using the handwriting pen we have provided.

As Europe has been the hot topic in the news over the summer, we wanted to discuss exactly what the word 'Europe' means with the children in Year 5. We plan to do this in a number of ways: geographically, culturally and personally. We are really excited to explore our own countries place in the world in comparison with others and find information about new places we know little about.
