

How you can help your child at home

- Hear your child read regularly and read to your child
- Help your child learn their multiplication and division facts up to 12 x 12
- Encourage your child to become more independent throughout the year (home study folders, PE kits etc)
- Encourage high quality presentation with all home study tasks, using the handwriting pen we have provided.

Lincolnsfield here we come! We are incredibly excited for the children to experience life as an evacuee from WW2. It will provide great learning opportunities in lessons and will foster increased independence as the children stay away from home for consecutive days. In school we'll be creating our own contemporary stories in the style of Goodnight Mr Tom and crafting our own toys from the 1940's era with a 'make do and mend' attitude.

Personal, Social and Emotional Development
