Welcome to Nursery

This first half term the children will spend time getting to know each other, learning the rules and finding out about their new setting. We will also spend time exploring our on-site Forest School area. We will be outside every day so please send children with a coat just in case they need it.

They will also need to bring a book bag every day. They will need to keep a pair of wellie boots and waterproof trousers, along with a spare set of clothes at school too. Thank you to all the families who have already supplied these items.

Pumpkin Update

The pumpkin plants that the children planted on the Welcome afternoon have spent the summer holidays spreading out across the garden in nursery. As yet we have not seen any sign of a pumpkin growing but fingers crossed one might appear soon.
