

## PTA BIKE-RIDE

The Summercroft PTA is holding an open Bike-Ride on **Saturday 6th of June 2015**.

This event is strictly for **Adults Only** and costs £10 per person, with all monies going directly to the PTA fund.

We will meet at 1pm by the Children's Playground in the Town park (Sworders Field) and proceed to cycle along the River Stort through Spellbrook, Sawbridgeworth, Harlow (etc)..... stopping at various "Watering Holes" (hic!) along the way. ☺

Everyone must bring their own bike and it must be able to handle off-road terrain. Crash helmets are optional, but obviously highly recommended. While it is NOT a race, there is no time limit and no rush - a general level of fitness/stamina is required as we aim to do about 15 miles during the afternoon (First aiders will be present, but would rather not be needed).

We will arrange various stopping points so that everyone who gets split-up can regroup.

- *It is approximately 10 miles to the Moorhen in Harlow – which is next to a train station, if anyone wishes to get the train home at that point.*
- *It is approximately 15 miles to the Fish & Eels in Hoddesdon (Dobbs Weir Road) and only a further mile after that to get the train home from Broxbourne – which we will aim to use at the end of the afternoon (cost to Stortford is approximately £7).*

For any hardcore riders, they can simply retrace their route home and cycle back. ☺

Please contact us via the [PTA@SUMMERCROFT.HERTS.SCH.UK](mailto:PTA@SUMMERCROFT.HERTS.SCH.UK) to let us know if you would like to join-in so we have a rough idea of numbers. We will collect monies on the day.

Thank you!

Summercroft PTA
