

Summercroft PTA

Dear Parents/ Carers

Are you employed by one of the following Companies? If so, you may be able to raise hundreds of pounds for the school, with very little effort – simply filling out one form!

It really is that simple.

Each of these employers is known to have operated a scheme whereby they match each pound raised for Charity with a pound of their own. Your Company may call it Matched Giving or £ for £ scheme.

If you are able to help please obtain the necessary form from your employer (often online) and hand it to a member of the PTA or it can be left at the Office. Thank you so much for your help.

This really is a simple way to raise more funds for the enjoyment and benefit of our children. Thank you.

The PTA.
