Dear Parents and Carers,

## Car Wash Planning Application – Raynham Road Bishop's Stortford

Hiltons have amended their Application as a result of our objection to the adverse effect of the proposed car wash on the forest learning area and outdoor classroom in terms of privacy, overlooking, safety, noise and spray.

They have obtained a Noise Impact Assessment and this together with their 3 revised drawings can be viewed on East Herts Council's website <https://publicaccess.eastherts.gov.uk> and the application reference is 3/16/2786/FUL. Those of you who objected to the original Application may already have received notification of this from the Council.

The principal changes are a 2 metre high solid timber fence on the rear and side boundaries of the site, the building reduced from two stories to single storey, no windows in the rear elevation overlooking the School and the jet wash to be carried out inside the building behind a roller shutter.

We are formulating our response but if you have any objections to raise on the Noise Impact Assessment and revised drawings, please send them by email to [planning@eastherts.gov.uk](mailto:planning@eastherts.gov.uk) or by post to Planning Dept, East Herts Council, Wallfields, Pegs Lane, Hertford SG13 8EQ in either case quoting the application reference. The deadline is 23 May.

If you want to contact either of us about this then please do so via the School Office.

Kind regards,

Carole Hinstridge – Headteacher

Michael Kirby – Chair of Governors
