The access plan in Section 11 below addresses our duty under the Special Educational Needs and Disability Act (SENDA) 2001.

This scheme also covers the statutory requirements outlined in the EYFS Statutory Framework

## **4. Staff development**

This section outlines our process for training and development in relation to equality and cohesion in terms of professional responsibilities as well as statutory requirements.

If training is available and requested, it will be slotted in to the Inset programme as part of the ongoing needs and development of staff as identified by the Head Teacher

## **5. Publication and review**

This Equality Scheme fulfils statutory requirements under the terms of legislation referred to above. As it is a public document, the school governors publish it on the school website.

The scheme will be kept under annual review for three years and then replaced in Autumn 2014.

## **6. Reporting on progress and impact**

A report on progress with the actions listed below will be published by the governors via the school website, flagged by the newsletter at the end of spring term each school year, i.e. 2012, 2013 and 2014.

## **7. How we conduct equality impact assessment and select our equality objectives**

This section outlines our process for monitoring the potential impact of school practice in terms of

- ethnicity,
- religion or belief,
- socio-economic background,
- gender and gender identity,
- disability,
- sexual orientation, and
- age.

Information is gathered from stakeholders to understand views on issues specifically relating to equality issues and these are used to develop our equality objectives. Monitoring will take place through Head Teachers reports and those of this committee. We will regularly communicate with parents and pupils about their perceptions of equality in school

Information gathering:

- Specific equality questionnaires collecting views from parents, staff and governors are undertaken every 3 years to support development of a new equality plan
- Discussions between Head Teacher and upper KS2 pupils are undertaken each year to gather views and ensure children in each cohort have the ability to be involved in understanding equality issues

The results will highlight strengths and areas for development of our Equality Plan. This process will be evidenced through the minutes of the Equality Committee's meetings.

Equality objectives identified by this process are included in the three-year plan in Section 9 below, or in the School Improvement Plan as appropriate.

Our equality objective-setting process has involved gathering evidence from the equality impact assessments and data gathering listed above.

The evidence was then analysed in order to choose objectives that will:

- i. promote equality of opportunity for members of identified groups
- ii. eliminate unlawful discrimination, harassment and victimisation, and
- iii. foster good relations between different groups in terms of
  - o ethnicity,
  - o religion or belief,
  - o socio-economic background,
  - o gender and gender identity,
  - o disability,
  - o sexual orientation and
  - o age.

## Appendix A

### Additional Equality Statements to be read in conjunction with published school policies

#### Pupils' attainment and progress

Summercroft expects the highest possible standards. Staff have high expectations of all pupils and continually challenge them to reach higher standards.

Summercroft recognises and values all forms of achievement. We will monitor and analyse pupil performance by ethnicity, gender, disability and special educational need and social background. Any disparities which are identified will be addressed through targeted curriculum planning, teaching and support.

#### The quality of provision - teaching and learning

All staff ensure the classroom is an inclusive environment in which pupils feel all contributions are valued. Positive steps are taken to include pupils who may otherwise be marginalized. We take account of pupils' experiences and starting points and are responsive to pupils' different learning styles. All pupils are regularly consulted about their learning.

Our teaching styles include collaborative learning. All pupils will be encouraged to question, discuss and collaborate in problem solving tasks. Pupils will be encouraged to be a resource for their peers.

Staff encourage pupils to become independent and assist them in taking responsibility for the management of their own learning and behaviour.

Staff use a range of methods and strategies to assess pupil progress. Assessments are analysed for gender, cultural and social bias, and where appropriate take account of access issues, e.g. print size.

#### The quality of provision - curriculum and other activities

Summercroft provides an appropriate curriculum for pupils of all backgrounds. We will monitor and evaluate its effectiveness through target setting and attainment analysis

All pupils participate in the mainstream curriculum of the school.

The curriculum builds on pupils' starting points and is differentiated appropriately to ensure the inclusion of:

boys and girls

pupils learning English as an additional language

pupils from minority ethnic groups, including Gypsies and Travellers  
pupils who are gifted and talented  
pupils with special educational needs  
pupils with a disability  
pupils who are in public care  
pupils who are at risk of disaffection and exclusion  
lesbian, gay or questioning young people

Each area of the curriculum is planned to incorporate the principles of equality and to promote positive attitudes to diversity. All subjects contribute to the spiritual, moral, social, and cultural development of all pupils.

The content of the curriculum reflects and values diversity. It encourages pupils to explore bias and to challenge prejudice and stereotypes.

Extra curricular activities and special events e.g. school productions, cater for the interests and capabilities of all pupils

### **The quality of provision – guidance and support**

We actively promote good personal and community relations and recognise diversity as having a positive role to play within the school.

All staff are expected to foster a positive atmosphere of mutual respect and trust among boys and girls from all ethnic groups and range of abilities.

Staff challenge stereotypes and foster pupils' critical awareness and concepts of fairness, enabling them to detect bias and challenge inequalities.

Summertime provides appropriate support for pupils learning English as an additional language and pupils are encouraged to use their home and community languages to enhance their learning

Victims of harassment and bullying are given appropriate support. The perpetrators are dealt with in line with school policy and are provided with relevant support to consider and modify their behaviour.

### **Behaviour and Attendance**

Summertime expects high standards of behaviour from all pupils, appropriate for their developmental level.

It is recognised that cultural background and disability may affect behaviour. Our school takes this into account when dealing with incidents of unacceptable behaviour.

Clear procedures are in place so that all forms of bullying and harassment, including racism and harassment related to disability, sexism and homophobia, are dealt with promptly, firmly and consistently and are in line with relevant Herts LA policies and guidance such as those for anti-bullying and dealing with racist incidents. All forms of harassment are recorded, monitored and dealt with in line with relevant school policies.

All staff are trained to deal effectively with bullying, racist incidents, racial harassment and prejudice and are offered support in handling such matters

We encourage staff to explore their own views and attitudes to difference and to monitor their practice in relation to this policy. Adults in school take care to lead through example, demonstrating high expectations of all pupils.

Summercroft will take all reasonable steps to prevent the exclusion of a pupil for a reason related to any disability they may have.

Pupils, staff and parents are aware of policies and procedures for dealing with harassment. They know that any language or behaviour, which is racist, sexist, homophobic or potentially damaging to any minority group, is always unacceptable.

Summercroft will fully support children with long-term medical needs who may have an erratic attendance because they are in and out of hospital.

### **Partnership with pupils, parents, carers and the wider community**

We monitor parental involvement and have strategies to raise participation of under represented groups of parents and sections of the community. Information and meetings for parents are made accessible for all.

Parents are fully involved in the school-based response for their child with special educational needs, understand the purpose of any intervention or programme of action and are told about the parent partnership service when SEN is identified.

### **Leadership and management**

Summercroft will not discriminate against a disabled pupil in the arrangements it makes for determining admission.

We will admit pupils with already identified special educational needs. Pupils with statements of special educational needs will always be admitted unless, through the statutory assessment process, it is demonstrated that the pupil's inclusion would be incompatible with the efficient education of other children.

Comprehensive information about pupils' ethnicity, first language, religion, physical needs, diet etc. is included in admissions forms OR gathered at admissions interview.

Summercroft adheres to recruitment and selection procedures which are fair, equitable and in line with statutory duties and Herts County Council and Diocese guidelines.

We will take steps to encourage people from under represented groups to apply for positions at all levels in the school and ensure recruitment and selection processes are monitored.

Equality and diversity issues are reflected in our school's employment practices

We will ensure that staff training continually highlights equality issues. Equality is incorporated in the induction programme for new staff.

The skills of all staff, including non-teaching and part-time staff are recognised and valued. All staff are given status and support and are encouraged to share their knowledge.

Staff and visitors provide a wide range of role models and the school strives to reflect the diversity of the local and wider community.

Summercroft opposes all forms of racism, homophobia, prejudice and discrimination.

Resources and displays in our school reflect the experience and backgrounds of pupils, promote diversity and challenge stereotypes. They are reviewed regularly to ensure that they reflect the inclusive ethos of Summercroft

### **Linguistic Diversity**

We recognise and celebrate the linguistic diversity in British society. We look for opportunities to enrich the curricular experience of all our pupils by:

- highlighting how English has borrowed from other languages
- raising awareness of the similarities and differences between English and other languages
- reflecting the multilingual nature of wider society in our resources and displays
