

SCHOOL GYMNASTICS WORKSHOPS

Would you like to increase the variety of sporting opportunities for your pupils?

Do your staff sometimes find gymnastics a challenge to teach?

Would you like to spend your sport's premium on creative and exciting activities for your children?

We can provide you with Half or Full Day workshops at Stortford Gymnastics.

Who you may wish to invite along:

- an entire school class to learn such skills as forward rolls, cartwheels and vaulting
- your gifted and talented gymnasts from across the school
- children who do not generally enjoy PE, to provide fun ways to get them active and more confident

We will ensure your children have a day to remember at Stortford Gymnastics. They will learn key gymnastics skills on the floor and vault, while also having the opportunity to use our bars, beam and air tracks.

We have a comfortable area for your children to enjoy their packed lunches, and somewhere for parents to watch, if you wish to invite them along at the end of the day to see the childrens' progress.

We can also help you satisfy your Ofsted requirements by providing photos for your school website and a link to our club.

Cost for up to 32 children with 2 Stortford Gymnastics Coaches.

£200 from 9.30am to 12pm, Morning

£150 from 1pm to 3pm, Afternoon

£300 for 9.30am to 3pm, All Day

* discounts available for bookings of 3 or more workshops booked in advance.

Please contact Janine on 07808 808815 or 01279 659305 for more information.
